INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF RR INSURANCE BROKERS PRIVATE LIMITED

Report on the Financial Statements

I have audited the accompanying financial statements of RR INSURANCE BROKERS PRIVATE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit.

I have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

I conducted my audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the financial statements.

Opinion

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid financial statements give the information required by the Act in the manner so required and gives three and fair

Annexure B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of RR Insurance Brokers Private Limited ("the Company") as of March31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

CHARTERED ACCOUNTANT 23. SAINIK VIHAR DELHI-110034

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant Accounting Policies

a Basis of Preparation of Financial Statements

The accounts have been prepared on a going concern basis under the historical cost convention, according to the accrual system of accounting in accordance with the generally accepted accounting principles, provisions of Companies Act, 2013 and Accounting Standards notified u/s 133 of the companies Act, 2013, read with rule 7 of the companies (Accounts) rules, 2014 till the standards of accounting or any addendum thereto are prescribed by central government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 2013 shall continue to apply, materially comply with the mandatory accounting statements and standards issued by the Institute of Chartered Accountants of India and the relevant presentational requirements of the Companies Act, 2013.

b <u>Use of Estimates</u>

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the result are known / materialised.

c Revenue Recognition

Income is being accounted for on accrual basis.

d Fixed Assets and Depreciation

- i) Fixed Assets are stated at cost, including freight, installation, duties and taxes, finance charges and other incidental expenses incurred during construction or installation to bring the assets to their state of intended use.
- ii) Depreciation on Tangible Assets is provided on the Straight Line Method by considering the revised useful life of the assets in the manner prescribed under schedule II to the Companies Act, 2013.
- iii) Intangible aseets are amortised over their respective individual estimated useful lifes on straight line method.

e Impairment of Assets

Impairment loss is provided; if any, to the extent, the carrying amount of assets exceed their recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying amount of assets to the extent that it does not exceed the carrying amounts that would been determind (net of amortisation or depreciation) had no impairment loss been recognised in previous years.

f Valuation of Investment

Investments are valued at acquisition cost Provision is made for diminution in the value of investment which is perceived to be of permanent nature.

Q Valuation of Stock

Stocks of quoted shares / debentures and other securities are valued at cost or market price whichever is less, by comparing each scrip with its market price. Market price of each scrip is determined on the basis of the closing price of the scrip prevailing at the principal stock exchange where the same is traded. Stock of Unquoted shares & debentures are valued at cost.

h Method of Accounting

Mercantile method of accounting is employed.

<u>Taxation</u>

- i) Provision for Income Tax for the current period is made if applicable on the basis of estimated tax liability as per the applicable provisions of the Income Tax Act, 1961.
- ii) Deferred Tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.
- Gratuity is being provided on cash basis.

k Foreign Currency Transaction

- i) Transactions denominated in foreign currencies are recorded at the exchange rates prevailing at the time of transaction.
- ii) Monetary items denominated in foreign currencies at the year-end are translated at the year end rate, the resultant gain or loss will be recognized in the statement of profit and loss account.
- iii) Any gain or loss arising on account of exchange difference on settlement of transaction is recognized in the statement of profit and loss account.

| Provision and contingencies

The company creates a provision when there exists a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources, when there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provision or disclosure is made.

m Research and Development

Revenue expenditure on research and development is charged as an expense in the year in which it is incurred under respective heads of accounts. Expenditure which results in the creation of capital assets is capitalised and depreciation is provided on such assets as applicable.

n <u>Earnings per share</u>

The Basic earning per share and diluted earning per share have been computed in accordance with Accounting Standard (AS-20) on, "Earnings Per Share" and is also shown in the Statement of Profit and Loss.
